

WISH LIST 2009-2010

The Haven on average cares for 100 animals at any given time. Caring for our animals requires more than time from our dedicated group of volunteers and staff; it also requires money and supplies. Because The Haven does not euthanize animals with treatable illnesses, veterinary care takes priority when we have to choose where to apply our limited cash.

SUPPLIES FOR OUTREACH EVENTS

- Crayons
- Gas cards to help cover the cost to help transport the Mobile Adoption Unit.
- A large tent (20 x 30) to safely shelter cats and dogs taken to outdoor events.
